Care Instructions for Barletta E-Class & C-Class Montego Marine Vinyl

- For normal cleaning, wash vinyl upholstery with a soft cloth or soft-bristled brush lathered with mild, nonabrasive soap and lukewarm water. Before the surface dries, wipe with a clean, dry cloth to remove any residue. This procedure may be repeated to remove stubborn dirt or stains.
- Ink spots can sometimes be removed by washing with soap and water followed by isopropyl alcohol.
- Do not use any cleaning method that is not listed above, as other methods may attack the vinyl and cause eventual degradation.
